## RESIDENT 6

CREATIVE RESIDENCY AT STUDIO WAYNE MCGREGOR FOR EMERGING ARTISTS PUSHING THE BOUNDARIES OF DANCE, MOVEMENT & PHYSICAL INTELLIGENCE.

Studio Wayne McGregor is committed to the development of early career choreographers and championing vital freelance talent on which our sector relies. We recognise that artists lack not just funding but space, practical support, networks and a sense of creative community.

RESIDENT 6 invites 6 artists to **make Studio Wayne McGregor their home for a year**. Connected by a commitment to creative rigour rooted in physical practice, these 6 artists will inhabit the heart of our global creative network comprising dancers, choreographers, writers, composers, producers, creative technologists, visual artists, sound designers and more.

RESIDENT 6 artists will have access to our full range of spaces for making, researching, experimenting, collaborating and sharing.

We are particularly looking for artists whose practice both individually and collectively pushes the boundaries of physical intelligence, and who will benefit from our focus on the intersection of dance and digital innovation.

All RESIDENT 6 artists receive a £5,000 bursary for their participation in the programme.

## EACH RESIDENT 6 ARTIST WILL RECEIVE:

- Flexible access to world-class studios and work spaces, including ringfenced weeks in our Studios for R&D
- £5,000 of development funding
